PALM AVENUE AREA TO GET $18,000 SEWER IMPROVEMENT

More than 15,000 feet of sewer will go into the Palm Avenue area sewer project which is being put to bids as soon after the November 18th hearing as possible. Exact description of the project may be found in a legal advertisement elsewhere in this issue of REVIEW.

Joe Rushing, Engineering Section Chief of the County Public Works Department said that petitions to sewer have been coming from the Palm Street area for over a year. However, one petition followed the other so closely as the community grew that it was impossible to stabilize the situation enough to plan the job other than by piece meal. Had the job been done petition by petition, the cost would have much higher than the presently anticipated amount.

Costs in this area have run from $2.80 to $4.39 per front foot. The average has been a little more than $3.50.

The job should get under way about the first of the year, Rushing said. It will take about 90 days to complete the job. Estimated cost is about $18,000.00.

America's Future Depends On Our Schools is Theme

This week and next, a group of youngsters from the Lemon Grove School will visit some of the local business firms with American Education Week advertisements.

The ads will call attention to the 32nd observance of AEW to be marked November 9-15 and will run in the REVIEW on November 6.

It will give the youngsters a chance to discover some basic business principles, and give the businessmen a chance to see the product of their educational investment in action.

The ads will help focus attention on this al-important week. Churches and local service clubs are scheduled to take part in this activity.

BROADWAY TRUNK SEWER TO AID E.L.G. DEVELOPMENT

Plans for a truck line sewer running west from Massachusetts connecting with the San Diego sewer trunk at the city limits which should reduce Sanitation District taxes next year, were revealed this week by Jean Vincenz, County Public Works Director.

At present, sewage flows to the Massachusetts Avenue pumping station and is pumped back to the Imperial Avenue mains. This is a costly procedure, Vincenz pointed out, and is more costly than mere operational expenses indicate. Breakdowns add to the cost.

During the rainy season water seeps into the lines and this is added to an already overburdened pumping problem, Vincenz said.

The project is said to require an expenditure of approximately $105,000. San Diego would pay about 20% of the cost. Sewer users would shoulder the rest of the burden through connection fees.

The development is the culmination of splendid co-operation between city and county authorities for the good of the community, he said.

The new main will permit development of that area beyond Massachusetts to the west that had been hitherto held back by lack of sewer facilities. Connection fees from this territory will cover a substantial share of this expense.

Bids have been called for and will be opened November 18th. Vincenz said that because of operating the lines at capacity, Lemon Grove area Sanitation tax rates are higher than last year's rate.

"I am confident that the rate will be lower next year, he added.

AN APOLOGY

Several regular advertisers are without ads in this issue of the REVIEW.

This is in spite of the fact that we published ten pages in hopes of accomodating all of them.

We are sorry that we were not able to publish everyone's advertising and we are taking steps to remedy the situation.

Regretfully,

Sunbeam Lines Demonstrated At L. G. Hardware

A complete line demonstration of Sunbeam products will be held Friday and Saturday at the Lemon Grove Hardware according to Jack Sanders.

Line includes coffeemaster, toastmaster, shavers, mixmaster and iron. Maxwell House coffee, brewed in the Coffeemaster will be served.

Golden Anniversary for Grove Couple

Childhood sweethearts celebrate their 50th wedding anniversary in Lemon Groxe next month when Mr. and Mrs. Ira T. Lewis, 7645 Pacific Avenue, hold open house for a host of relatives and friends.

The celebration will be Sunday, November 9th, from 1 to 4 and a huge dinner is scheduled for the evening.

The couple, Lewis and Winnie P. Ruark, were united in marriage at Osceola, Iowa in 1902. To this union was born eight children. They are Eva Rose Brown, Madison, Wis.; Warren Lewis, Spring Valley; Arthur Lewis, Lemon Grove; Howard Lewis, Chula Vista; Leland Lewis, Jackson, S. Carolina; Ruth, who passed away at the age of 5 months; Doris Welch and Beryl Shumway, both of Boulder, Colorado.

There are also 12 grandchildren. All plan to be present at the celebration.

UNIFICATION MEETING MONDAY AT 8

A public meeting on Unification will be held Monday, 8 p. m. at the Golden Avenue School. This meeting is sponsored by the Citizen's Advisory Committee for discussing the State Board of Education's recent approval of unifying the Lemon Grove School District. This meeting is classed as "urgent" by committee members and every citizen is requested to attend.

WOMENS GROUP ASKS FURTHER STUDY OF UNIFICATION

By Women's Committee for Investigating Unification

This Committee was formed from a group of Grove civic leaders who are interested in presenting both sides of the problem of unification.

Is it fair that the 2700 petitions of registered voters were ignored at the San Francisco hearing? These petitions represented the people in the Grossmont School District who are affected by the decision of the State Board for the recommendation of the unification of the La Mesa-Spring Valley district and the Lemon Grove district.

800 petitions were sent from La Mesa and 300 from Lemon Grove, and approximately 1600 from the remainder of the district. Proving that the recommendations of the citizen's advisory committee to the County committee were not the voice of the people.

Mr. Frank Wright, State Assistant Superintendent of Public Instruction said "Lemon Grove District is too small and financially weak, for these reasons I do not like it."

If the proposal of Vista La Mesa to withdraw from Lemon Grove district and joining the La Mesa - Spring Valley district passes (and the possibility of Brookside doing the same) this will further weaken out district enrollment and our financial condition.

The larger the unified School District the stronger and better its Education program. Keeping the district as it is we would be using the facilities for which we have already paid.

Chamber Meeting on Election Night

Regular monthly meeting of the Lemon Grove Chamber of Commerce will be held election night, November 4th. Meeting will be in the Judicial District court room on Main Street.

All new business people are particularly invited to attend the meeting according to Forrest Baxter, chamber president. Meeting time is 7:30.

The chamber road committee was host to Dave Bird, County Supervisor October 22nd. Matters pertaining to road upkeep were discussed and Bird said that Lemon Grove had the attention of the Supervisors due to its rapid growth which brought on certain upkeep and road building problems.

EARLY UNIFICATION VOTE WANTED

Hopes for an early December election on Lemon Grove School District Unification was voiced this week by Byron Netzley, Superintendent of Lemon Grove Schools upon his return from San Francisco where the State Board of Education had granted approval of the Unification request.

"We intend to give the voters as much information as we have available between now and election time so that they may have time to weigh the merits of the proposition," Netzley said.

While the State Board has approved the election, no date may be set until they officially notify Dr. Cecil Hardesty, County Superintendent of Schools, that such a decision has been reached. This, they are required to do before November 1st.

When official notification is received, Dr. Hardesty will set the date for the election.

Netzley predicated his wishes for an early election on the fact that Xmas holidays will interfere with giving the proposal full attention if the date is set past the middle of the month.

Approval was given to both the Lemon Grove and the La Mesa-Spring Valley unification requests.

Under the plan, each school district would operate both elementary and high schools. One board of education and one superintendent of schools would function at both levels. A simple majority is needed to carry the measure.

If the La Mesa-Spring Valley School District votes for unification, the District will take over both Grossmont and Helix Grove Schools. If The Lemon Grove District votes in favor of unification, the district will have to build a high school.

However, students from Lemon Grove would be taught at Helix until a school is acquired. La Mesa-Spring Valley officials have agreed.

The shrunken Grossmont Union High School District would build a new school in the El Cajon area, students from the section attending Grossmont High until the new high school was finished.

BULLETIN

The election on unification will be held Friday Dec. 5th, it was announced at press time.

The official public hearing will be held November 19th at 8 P.M. at San Miguel School.

PTA CARNIVAL FRIDAY TO HAVE TV STARS

Free dancing is one of the many attractions at the P. T. A. carnival to be held on the Lemon Grove School grounds this Friday evening, October 31, at 5:30. Beginning at 8:00 p. m., the dancing will feature the Convair Hoe Downers, exhibition square dancers, who have made several appearances locally and on television. A special invitation to Helix High School students to attend the dance has been extended by the combined San Miguel, Golden Avenue, and Lemon Grove School P. T. A.'s who are sponsoring the carnival this year.

Music will be furnished for the dancing through the courtesy of the American Federation of Musicians, Local No. 325, with Mrs. Jean Szado and a four piece orchestra. The dance will be under the direction of Harry Butler, social studies teacher, and Mr. Vander Worker will call for the exhibition dances.

Three Toastmistress' Clubs Hold Anniversary Meeting

Joint meeting of three Toastmistress clubs-Ocean Beach, Suburban and El Cajon, was held Wednesday at Ernie's Rancho, Grossmont, to mark the 5th Anniversary of El Cajon Valley Toastmistress Club, and the founding of International Toastmistress. The main speaker of the evening was Mrs. Jack Truax, of the Ocean Beach club. Mrs. Howard Jennings, president of Suburban Toastmistress Club, also spoke. Mrs. Hale Whittaker, charter president of El Cajon Valley Glub, gave a brief history of the founding of the club, and of organizing of International Toastmistress. General evaluator of the evening was Mrs. Tom Drake, chairman of Council No. 7 Invocation, Miss Shirley Schmidt; Toastmistress, Miss Louise Mannaugh; Topicmistress, Mrs. Alice Yeager; Lexicologist, Mrs. Charles Oldsen.

Bob's Back With A Chest Full Of Fruit Salad

Pfc. Robert H. Curry, son of Mrs. Robert Curry, 8261 Golden Avenue is back in Lemon Grove on furlough sporting a chest full of medals.

He served in Korea in 1950 and is presently assigned to Ft. Bragg where he will report after this leave for reassignment to the Far East.

Medals include the combat infantryman's badge; paratroopers jump wings, the Sighman Reepresidential citation; Purple Heart and bronze star; the U. N. Medal; the presidential unit citation for the Korean campaign and the Good Conduct medal.

Bob attended Grossmont before enlisting.

Grove Woman's Jrs. Are Active In "Get Out and Vote"

The Lemon Grove Woman's Club Jrs. have contacted over 1000 registered voters before election day and will contact them again on election day and remind them to vote. This is part of the "Get Out the Vote" campaign sponsored by the General Federation of Women's Clubs.

The Lemon Grove Clubs campaign is under the chairmanship of Mrs. C. H. Jennings. Club members will also furnish transportation to the polls and baby-sit with children while their parents vote. The transportation committee is headed by Mrs. P. H. Titmas, assisted by Mmes. Billy M. Castle, Walter W. Hoffman, John B. Leamons and J. Tom Mitchell.

Chairman of the baby sitters is Mrs. Norbert Gobeille who is being assisted by Mmes. Alfred H. Cole, Robert B. Hamilton, Donald G. Johnson, Edward F. Miller and Lawrence Sozzani.

Anyone wishing transportation on election day may call H6-3073. Anyone wishing to have child care while they vote should call H6-4658.

Business Women's League Guests of Local Lions

The Business Women's League of Lemon Grove changed their meeting scheduled at the Youth Center last Thursday to accept an invitation from the Lion's Club to meet them at the Hayloft Barbeque in Encanto. Mr. T. C. Gillet, the proprietor, donated the entire proceeds of the luncheon to the Lion's Club activity fund, which will be used to help the Lemon Grove School Band.

Twenty-seven members and guests of the Business Women's League were present besides the Lions. Guests were Betty Runyon, Betty Johnson, Ethel Nichols, Elsie Hoard, and guest speaker, Mrs. Lawrence Spear.

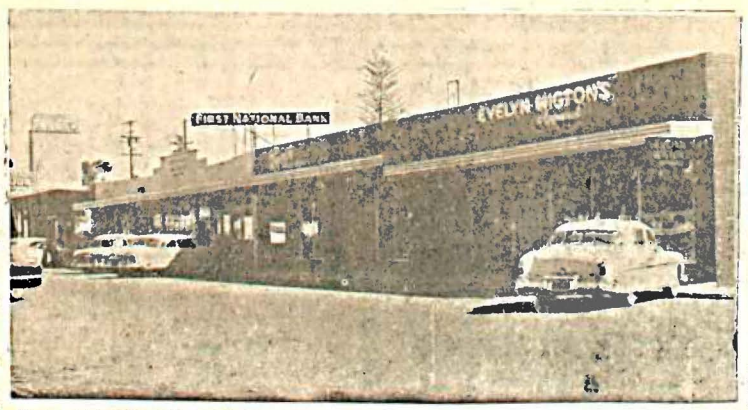

The next meeting will be a dinner meeting, Thursday evening, November 6, at seven o'clock at the Kissel House.

New Servicing Firm Opens

Two television specialists from the 7100 block on University have responded to the urge of better business in Lemon Grove and opened a shop at 7223 Broadway, the former home of Donnelly Plumbing.

Gale W. Webb and Douglas C. Pritchett are the boys who saw the light. They are exclusively servicing teevee and radio, they

VOTES YES ON 2 & 24

Here are two new addresses in the Lemon Grove business community. At the corner nearest Broadway and Olive is Evelyn Wigton's new, larger shop. The building, constructed for Sonka Brothers, will afford about twice as much floor space than Wigton's had formerly. Thus the shop will departmentalize many of its nationally known lines.

Lanes Shoes Inc., will occupy the premises next door which was Wigton's former location. Lane will operate a "complete family shoes store" built around the moderately priced John C. Roberts men's shoes, Grace Walker, ladies shoes and Red Goose, children's shoes. Ray Purtee, well known children's foot correction specialist will manage the store.

Wigton's will distribute permanent fall corsages to ladies during their opening. Lane's will have a door prize drawing with such prizes as a set of table silver; a youngster's bicycle, a man's suit and other gifts.

LANE'S OPENING DELAYED ONE WEEK

Due to transportation of merchandise difficulties, Lane's Shoes formal opening will be held Friday and Saturday, Nov. 7 & 8 instead of this week.

The store will be open beginning Monday, however, and visitors may register for the grand drawing to be held next Saturday.

Ethel and Bud Nichols, operators of the Grove's first camera shop, will conduct a door prize drawing this week.

Open House festivities will be held Friday and Saturday at the Lemon Grove Camera and Sport Goods Shop, 7848 Broadway reported Bud Nichols, firm owner.

The shop has been operating for almost a month but formal opening had been held up pending arrival of complete equipment, displays and inventory.

Nichols, who with his wife Ethel, will operate the new shop, is also owner of the La Mesa Photo Supply, 4762 Palm in La Mesa.

Door prizes consisting of a Weston light meter; an Argus Argoflex camera, a Mico-Vue slide viewer and other sport and photography items will be given in conjunction with the opening.

In addition to these prizes, free developing and a free Superpak jumbo book of prints will be given with each roll of film. This deal will be available for two weeks, Nichols said.

The shop will stock general sports goods such as guns, rifles, air rifles, cameras and films, Hallmark Greeting cards, photo developing, fishing tackle, baseball, basketball and football equipment and kindred items.

Nichols has been in this type of business for the past 15 years. He is former manager of the Stanley Andrews firm in North Park and the S. D. Photo Supply in downtown San Diego.

The store occupies the building recently completed by John Casteel.

Lion president Bob Von Willer shakes hands with Buddy Warden, recipient of the Lion contributed chair. Looking on is Dr. David Wilhite, Past president Forrest Baxter and Paul Louer, Lions all.

If you should see a bright-eyed young man "hot-rodding" around Monterey Heights in a new wheel chair these days, this is to let you know who he is. Charles "Buddy" Warden, 22, 1844 Englewood Drive, was presented with a new streamlined wheel chair the past week by the Lemon Grove Lions club, who promised to keep it serviced as long as Buddy may need it. President Bob Von Willer made the presentation in a simple ceremony Friday evening. Buddy a multiple sclerosis victim, has little use of his lower limbs, will add many hours of fresh air and sunshine to his schedule through the use of the new "roller coaster." He has promised to observe the 25 mile speed limit at all times, so if you should see him scooting around the neighborhood give him a salute, he's a right guy with a lot of courage.

The idea of the Nobel Peace Prize was born in personal tragedy and in the horror of mass killing in war. The founder of the fund, Swedish chemist Alfred Bernhard Nobel, was conducting experiments in the manufacture of nitroglycerin in a factory operated by his father when an accidental explosion killed his younger brother. That was in 1866.

Later Alfred Nobel discovered dynamite. The age of high explosives, which he had fathered, so disturbed Nobel as the years passed that he willed most of his great fortunate to the promotion of the beneficial sciences and the cause of world peace.

Great minds have explored the avenues of human thought and progress that might lead to universal abstention from war, and many earnest men have been awarded peace prizes. Yet wars have gone on through the years —each more fearful than the last.

Last week, viewing a world in which men of many nations and races are dying daily in battle, seeking vainly to find a gleam of hope in some outstanding achievement toward the goal of international amity and goodwill the committee which administers the fund made an announcement:

No Nobel Peace Prize will be awarded for the year 1952.

All of the said work hereinbefore generally described shall be constructed in the manner, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor, bearing project number 624-26, contained in Document No. 151676 A & B, on file in the office of the Clerk of the Board of Supervisors of San Diego County, and copies of which are on file in the office of Jean L. Vincenz, Director of Public Works, and by this reference thereto all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Board hereby determines and declares that serial bonds shall be issued to represent each assessment of the twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next, succeeding the fifteenth day of the next October following their date, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of next October following their date until the whole is paid. Said bonds shall bear interest at the rate of six percent per annum, interest payable semi-annually by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911 and amendments thereto.

That the contemplated work and improvement hereinbefore mentioned is in the opinion of said Board of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Board does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to wit: All that real property in the County of San Diego included within the exterior boundary lines of said district, as shown upon that certain Map bearing project number 624-26 entitled "Plat showing the extent of the territory benefited by and to be assessed to pay the costs and expenses of the construction of sewers in Palm Street, et al, in a portion of the Unincorporated Area of the County of San Diego, Area No. 7", indicating the exterior boundary lines of such district, which map, approved by the Board, is on file in the office of Jean L. Vincenz, Director of Public Works, 4005 Rosecrans, San Diego, California; excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said map, for a particular description of such district.

NOTICE IS HEREBY GIVEN that on Tuesday, the 18th day of November, 1952, at 11:00 o'clock a.m., in the Board of Supervisors' chamber in the City and County Administration Building, 1600 Pacific Highway, in the City of San Diego, California, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Board of Supervisors and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

Such protest, if any, must be in writing, and must contain a description of the property in which each signer thereof is interested, sufficient to identify the same, and shall be delivered to and filed with the Clerk of the Board of Supervisors in Room 303 in the City and County Administration Building. No other protests or objections will be considered.

That the Clerk of the Board of Supervisors be, and she is hereby directed to cause this Resolution of Intention to be published twice in the Lemon Grove Review, hereby designated for that purpose by the Board of Supervisors.

That the Clerk of the Board of Supervisors be, and she is hereby directed to mail notice of the adoption of this resolution of intention, postage prepaid, to all persons owning real property proposed to be assessed, whose names and addresses appear on the last equalized County Assessment Roll, or as known to the Clerk, all in the time, form and manner required by law.

The Clerk of the Board of Supervisors shall, upon completion of the mailing of said notices, file with the Board of Supervisors an affidavit setting forth time and manner of the compliance with the above requirements for mailing such notices.

That the Director of Public Works shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open streets within such district at not more than three hundred feet in distance apart on each street so posted; all in the time, form and manner required by law, and thereupon said Director shall cause to be filed in the office of the Clerk of the Board of Supervisors, an affidavit showing the posting of said notices of improvement.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911," and amendments thereto.

PASSED AND ADOPTED by the Board of Supervisors of the County of San Diego, State of California, this 21st day of October, 1952, by the following vote:

AYES: Supervisors Gibson, Bird, Robbins, Rossi, and Howell
NOES: Supervisors None
ABSENT: Supervisors None

Gross-weight Fails to Keep Helix From Scoring!

By Jerry Dougherty

Using three platoons, a first string platoon, a platoon of injured and a six-man substitute platoon, Coach Ken Maynard, assisted by coaches Glen Otterson and Phil Morell, made a brave bid for the "Musket" trophy last Friday night when his dauntless highlanders lit-into a big Grossmont squad that looked like a Marine second platoon.

The fighting Highlanders played a game that would do credit to a Big Ten outfit. All things considered the Highlanders couldn't have played a better game if the odds were even. The line charged and smashed like a fast freight on a down grade. Ends Hurst and Curtis played like quadruplets. Lebb at quarterback-hard pressed at all times did an excellent job. Maynard, as always, up a stump for substitutes, I would almost swear sent in Otterson for Morell when the going was roughest.

Grossmont kicked-off and were immediately penalized five yards, then kicked over. Helix received the punt on the 38, fumbled and recovered by Grossmont. The Hillers bore down on Helix left guard and were slammed back for a seven yard loss by Stemen, Ethridge and Johnson. A Grossmonter heaved a long pass — intercepted by Kennison who was promptly flattened by the heavyweights. Kelly on a left end run lost one yard, then Davies and Herald ripped an opening for Karl Jordan, who was bagged around for five yards. Merk's pass was intercepted on Helix 34. Grossmont crashed over center for 2 nine yards, but were stopped by Ethridge. A Hiller skirting right end was dragged down by Johnson after five yards. Crane was dragged three yards through center by a Hiller, but brought him down. Thomas cut down a Gross after three yards through center. Another Hiller got only one yard before Crawford nailed him, on Helix 12 yard strip. The Hillmen charged through right tackle for three yards and met Stemen. A center plunge was stopped after 1 yard by Fackrell, Gardner and Herald. A Highlander was injured. A Grossmont pass was good for a touchdown, and the kick good for extra point.

Grossmont punted to Helix 38, and returned by Merk to his 43. Bruce Bender, Davies and Gardner forced open the center for Karl Jordan and two yards. Merk slashed for three yards on a reverse. Herald and Davies banged open the right side for Merk to gain four yards. From Grossmont 45, Karl Jordan rammed the center for two yards and a first down. Faekrell and Stemen tore the left wall open for Merk, who slashed and lunged for eight yards. Karl Jordan scrambled over the right side for five yards and a first down before being sat on. The Helix line charged and smashed like a herculean line help Karl Jordan ripped and plunged to the six stripe. With 15 seconds left in the first quarter Merk barrelled to the 2 yard line. With a mighty heave the Highlander line pushed tons of Grossmont wall far enough for Merk to ramm the ball over for a touchdown. The kick for extra point was good and the score: Grossmont 7, Helix 7.

The remainder of the game saw the Highlander backfield in brilliant runs and thrilling plunges, and the line kept banging away at the mountains of opposition, but showing the strain of superior odds and a second Grossmont touchdown and conversion.

Today, Friday the Highlanders take on their weight in wild cats when they meet the Point Loma squad.

Bill Newgent Chevrolet Rep. Back in Grove

After an absence of six months, Bill Newgent, well known automobile salesman, found the lure of Lemon Grove too much to resist and has returned here with plans to make this his permanent residence.

Bill, a salesman on the new car staff at City Chevrolet Co., moved into San Diego temporarily after establishing a wide acquaintance in this area during the three years he formerly lived here, and now he says he's back in Lemon Grove to stay.

With Mrs. Newgent and their three children, Skipper, Cindy and Gail, he is making his home at 1690 Drexel Dr., H6-0391

To his friends and neighbors, Bill extends a standing invitation for a demonstration ride in the beautiful new 1952 Chevrolet, and residents of Lemon Grove who drop into City Chevrolet's main show rooms at Union and C Sts. in San Diego, will receive from him courteous consideration.

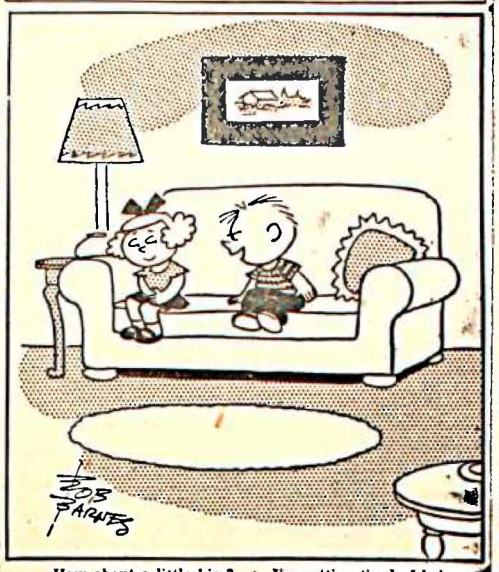

"I especially want to invite the people of Lemon Grove to join me in a ride in the 1952 Chevrolet with Power Glide," Bill said. "There's nothing like it in the way of automatic transmissions, and I know a demonstration will offer convincing proof why Chevrolet is America's favorite car. —ADV.

San Miguel Third Graders Visit Scripps Aquarium

As a culmination to their study of "Life in the Tidepools," children from Mrs. Jensen's third grade at San Miguel School enjoyed a trip to Scripps Aquarium at La Jolla on Wednesday of last week.

Furnishing transportation, and helping to guide the children on the tour, were Mrs. N. H. Andersen, Mrs. C. D. Dumas, Mrs. Kenneth Kinkel, Mrs. E. A. Manu, Mrs. O. L. Meyer, Mrs. W. L. Spooner and Mrs C. A. West.

LAFF OF THE WEEK

How about a little kiss? . . . I'm getting tired of being engaged in name only.

Strawns Add To School District Growth

Mr. and Mrs. John Strawn became the parents of a 7 lb. 15 oz. baby girl on Monday, October 20. Mr. Strawn is a teacher in the San Miguel School in the combination 4th and 5th grade class, and resides at 2192 Bonita Street in Lemon Grove.

San Diegans of 1900 apparently had nothing in common with "mad dogs and Englishmen" . . . they chose not to go "out in the noonday sun," as may be seen from this photograph from the historical collection of Union Title Insurance and Trust Company.

As quiet as any spot in town on that hot afternoon a half-century ago was the block between A and B Streets on Fifth Avenue. A lone bicycle rested against the curb in front of Hugh Skinner's plumbing shop. Alfred H. Luscomb's "Hay-Grain-Wood-Coal" store showed even less sign of activity, and a single bale of alfalfa tilted forlornly in the sun-drenched block of a pedestrianless sidewalk.

Today, this block offers a sharp contrast with this 1900-view. A. Gould's Brevoort House, and Mrs. B. H. Smith's Helix (early day boarding houses), the plumbing shop, the hay and grain shop, the blacksmith shop — all have made way for the stores, restaurants, and the two theatres now occupying this busy section of San Diego.

San Diego Mayor Proclaims USO Week Nov. 3 to 8

In tribute to the outstanding services performed for military men and women by the San Diego USO Advisory Council and its six member agencies, the week of Nov. 3 to 8 has been officially proclaimed San Diego USO Week by Mayor John D. Butler.

Climaxing week-long activities at the USO centers which will be open to the public, there will be an east-west championship football game at Balboa Stadium, San Diego. The game, which will be in honor of the USO, is set for Saturday, Nov. 8, between the Marine Corps Recruit Depot team in San Diego and the Marine Recruit team at Parris Island, South Carolina. Tickets to the game will be available to the public without charge at USO centers.

Participating in open-house programs during the week will be San Diego USO agencies; Armed-Services Y. M. C. A., 500 West Broadway; National Jewish Welfare Board, Temple Center; National Catholic Community Service, 925 First Ave., Salvation Army, 1050 Second Ave. The public also will be invited to visit the USO-Travelers Aid headquarters in the Spreckels Bldg., and the USO-Y. M. C. A. is sponsoring a special dance for service personnel at Navy Field which the public may attend.

We are in the midst of the deer hunting season now, and while the season started off with some damp weather we still have a fire hazard.

September Calls For Better Breakfasts

Better breakfasts belong to September as surely as the end of summer vacation or the first new tints of early-turning leaves. This, after all, is the month when school begins and studies demand a sturdy breakfast to see your youngster through the day. It's also a time when business activities—and the weather—get brisker, suggesting that Father could do with a better breakfast, too!

Fried Wheat Meal, a hot and hearty cereal treat for all the family, is one sure and tasty way to do your bit by the Better Breakfast. You'll find its recipe given below, along with other ideas to make the first meal of the day one of the finest.

Breakfast Menu I
Stewed Prunes and Apricots
Grape-Nuts with Milk or Light Cream
Scrambled Eggs
Buttered Toast
Coffee (milk for the children)

Breakfast Menu II
Orange Juice
Candy-coated Puffed Wheat with Milk or Light Cream
Raw Apple Slices and Broiled Sausages
Fried Wheat Meal*
Coffee (milk for the children)

Fried Wheat Meal*
½ teaspoon salt
2¾ cups boiling water
¾ cup wheat meal

Add salt to boiling water in saucepan. Add cereal slowly, stirring constantly. Bring again to a boil and cook 3 minutes, stirring constantly. Pour into cold wet mold. Let stand overnight, or until cold and firm.

Turn from mold. Slice in ⅝-inch slices and saute in small amount of fat, turning to brown both sides. Serve with maple-blended syrup. Makes 6 servings. Left-over cooked wheat meal may be used in this way.

Congregational B-Day Next Friday At Friendship Hall

Bazaar Day, Friday, November 7, at the Congregational Church is the BIG day of the year. It'll be at Friendship Hall. Sandwiches, cake and tea or coffee will be served by the Young Mrs. at noon.

The Thrift Table with its fancywork of all kinds, the Rummage Sale, the "post office" of 25c packages, the baked food table and the candy sale will be among the features. A delicious dinner will be served from 5 o'clock on, by the Ladies Aid.

Other events scheduled are:

The Board of Trustees and the Deacons and Deaconesses meeting Monday, at 7:00 p. m. in Friendship Hall.

The Men's Fellowship group meeting Friday at 7:00 for their potluck dinner instead of Tuesday, Nov. 4th, since that is election night.

The Young Mrs. regular meeting in Friendship Hall Thursday, Nov. 6 at 7:30 p. m. Hostesses for the evening will be June Marcantel and Hazel Brown. The evening will be spent in working on the Bazaar preparations.

Our pastor, Rev. Dan Apra and his wife, Virginia, will be back this week-end and Rev. Apra will conduct the services Sunday.

Heartland Players To Produce "My Sister Eileen"

The first production of the Heartland Players is now in rehearsal. It is "My Sister Eileen," a gay comedy in three-acts to be staged at the Montery Heights School auditorium November 14 and 15.

Mrs. Irene O'Connor, who has years of experience in all phases of theater work is directing the play.

Business manager for the group, Mr. William Baxter, is getting back into the swing of things again. "Bill," was a member of a Little Theater Group back in Kalamazoo and is an old hand at stage flats and props.

Christine Medeirous, cast as the young Eileen, and Synthia Spry, as her older sister Ruth will play the feminine leads.

Yes the plays the thing and the Heartland Players believe "My Sister Eileen," will provide much mirth for the local theatergoers.

Endorsed by S. D. Taxpayers Association

Vote YES on Prop. "C"

Proposition "C" would amend the County Charter to provide that the Supervisors receive, as compensation for their services, a salary fixed by the State Legislature.

The Board of Directors, San Diego Taxpayers Association, in endorsing Proposition "C", had this to say:

"The salary of San Diego County Supervisors has not been changed for 20 years, while other County salaries have doubled in the same period. . . . In 55 of the 58 California Counties, salaries for supervisors are now set by the State Legislature. In no case has the Legislature proved extravagant in setting salaries."

San Diego County's tremendous population growth in the last 20 years has tripled the demands on Supervisors, and correspondingly multiplied their responsibilities. Our County, fourth in population in the State, ranks 15th in the salary rate paid the Supervisors.

Prop. "C" merits approval. Vote YES

Monterey Heights School Hallowe'en Carnival Friday

Helen Bowen

Let's all make this Hallowe'en Carnival at the Monterey Heights School a bigger success than it was last year and we will have to go some to do that, believe me. Everyone last year had such a good time, young and old alike and everyone was so cooperative. They are working hard men and women alike, to show everyone what a good time one can have at the School Hallowe'en Carnivals.

There will be the Giant Costume Parade, with prizes for the best Costumes, such as the most unusual, the prettiest and the funniest, starting at 6. The Booths will open at 6:45. There will be movies, a Ring Toss booth, Fortune Teller, Dart Throwing, Plenty of eats, Hot Dog Stand, Pop and Hot Coffee, Fish Pond, Bakery Booth, Country Store, Balloons for the kiddies, and a Plant Booth.

Fifty Couples Attend Hallowe'en Dance

Over fifty couples attended the Hallowe'en Dance, sponsored by the Lemon Grove Woman's Club Jrs., at Casper's Rancho, Friday, October 24th.

The dance was under the chairmanship of Mrs. H. G. Hatton and music was furnished by the "Melody Aces."

Prizes for the best couple were won by Mr. and Mrs. E. C. Kranch. Ed arrived at the party as "Dishonest John" and Gladys was dressed as a clown. Best costume award was won by Mrs. LeRoy Scaglioti, who was dressed as a shepherdess. Her husband, LeRoy, won the prize for best man's costume by appearing in an old fashioned bathing suit. Prize for the funniest costume was won by Mr. Carl David. Mrs. Glenn Huff won the award for the best woman's costume.

TWO BALLOTS IMPORTANT FOR EDUCATION

Two important propositions on the ballot next week are directly concerned with the welfare and future of the public schools of this state. Proposition 2 would do these things: (1) Stop the trendtoward higher and higher property taxes to support schools by bringing the state's part of school financial support back to where it was in 1946; and (2) allow schools to have the same purchasing power per pupil as in 1946, before inflation had its ruinous effect.

Briefly, Proposition 24 would enable the state to float a bond issue in order to lend funds to improverished districts for building classrooms. Thus, thousands of pupils who are otherwise doomed to double sessions would get a full-time educational program.

Many groups in Lemon Grove, which is a district directly concerned with the school problems caused by inflation and increased enrollment, are supporting these two proposition. Besides many clubs and other organizations, the propositions have the full support of the local P. T. A.'s and the Lemon Grove District Teachers Association. Despite the action taken by opponents of the measures to indicate that teachers were not behind the measures, voters in California should know that members of the teaching profession, always interested in students and the schools, have indicated from the beginning that successful passage of these propositions is necessary.

The local association, along with other groups in this community is also making every effort to get out the vote for this election whether or not those voters agree with the propositions of the schools. Every registered voter in Lemon Grove is urged to cast a ballot next Tuesday.

St. John Alumni Have First Party

Grovan Invited To Gem Show

Petrified wood will be a feature exhibit at the Gem Show to be given by the San Diego Lapidary Society November 8th and 9th. Rockhounds know this product of nature as Petrified iron wood; but it is also called mountain mahogany, and sometimes music wood. When two pieces are struck together there emanates a ringing sound, thus music wood. This will be demonstrated at the show. Another characteristic is that it resembles real wood more than almost any other petrified wood.

The Gem Show will be held at 3690 Mason Street in Old Town at the Old Chamber of Commerce Building. Visitors are welcome.

M.H. Neighborhood Club Officers Listed

Officers of the Monterey Heights Neighborhood Club have been named. They are Mrs. Robert Davey, chairman; Mrs. R. F. Foster, secy-treas.; Mrs. M. F. McKinney, publicity. The club meets the third Wednesday of each month.

Vista La Mesa School News

In Mrs. Tait's third grade, the class welcomes Will Dawson back to classes. He had been unable to attend school because of an injured hand. The group also regrets that John Flanagan has transfered to another district.

The Prescott Child Study Group which meets at the Vista La Mesa School held its second meeting of the year last Wednesday. This is the third year of study for the teacher group. Mrs. Emma Tait is group leader.

At the first P. T. A. meeting of the year at Vista La Mesa, Robert Masters' class won the pennant for the greatest number of parents in attendance. They hope to retain the banner next month. This fifth grade also won the five dollar award offered in the recent membership contest held by the P. T. A. The boys and girls celebrated their victory last Friday with a room party.

Monte Hall To Attend VLM

A huge Hallowe'en Carnival is planned Friday at the Vista La Mesa School, sponsored by the P. T. A.

Monty Hall will be Master of Ceremonies and the costume parade will begin at 6:00 p. m. with many prizes for the best home-made as well as ready-made costumes. There will be a talent show at 7:00 p. m. and the music will begin at 8:00 p. m.

Delicious food, including hamburgers, chili and home-made pie, will be available in the cafeteria at very nominal prices. Of fun and interest to all will be the movies, hay-rides, many game booths, country store booth, the fire engine display and the giant bon-fire.

Ramona Woman's Club Plans Fashion Show

"Fall Fashions for '52" will be presented by the Ramona Woman's Club, through the courtesy of the Marston Company of San Diego, Thursday, November 6th. A luncheon will be served in the Ramona Town Hall at 12 noon, being a joint project of the Ways and Means Committees of the Junior and Senior Clubs.

The fashion show will start at 2 p. m. in the Ramona Theatre and there will be no admission charge. The Ramona Woman's Club is sharing its expected pleasure in this event with neighboring clubs. Invitations have been extended and all are welcome.

Reservations may be made by phoning Mrs. Jack Decker, Ramona 160J.

V. L. M. Members Attend 'Get-Together'

Members of the Vista La Mesa Christian Church who attended the "Fall Get Together" district meeting at East San Diego Christian Church Wednesday brought back many new ideas for future program development.

People of the community not attending elsewhere are invited to come to one of the morning worship services, 9:00 a. m. or 11:00 a. m. Church school classes for children through sixth grade are held during the first service, and Jr. church and nursery care during the second. Regular Sunday school for all ages convenes 10:00-10:50 a. m.

M.H. P.T.A. Drive Termed "Success"

The Monterey Heights Parents Teachers Association drive went over "bang", with 522 members. Mrs. Ruth Barley, 3rd Grade room won 1st place, the prize was a Sawyer View Master and 9 films, pertaining to Social Study Activities. Miss Deloras Mayo's 1st Grade Room won second place and were awarded two Turtles and bowl.

The Drive could not have been a success without the able cooperation of the teachers and Mrs. Ralph Tenison, Chairman, assisted by Mrs. John Gregory and Mrs. Robert N.

M. H. Girl Scouts Have Hallowe'en Party

Troop 361, Monterey Heights Girl Scouts had a Hallowe'en party Tuesday at the home of Mrs. Ralph Martin. All the spooks were there and prizes were given for relay races and the girls bobbed for apples. Dorothy Cummings, co-leader, was in charge of decorations.

Art Classes Help Red Cross

Art classes at the Lemon Grove Intermediate School are cooperating with the Junior Red Cross unit at the school in making articles in demand at hospitals, homes, and other institutions. Miss Robbins' classes have just completed large posters. Mrs. Cornelius' seventh grade art class is constructing puppets to be used by children in hospitals.

Mr. Bailey of the Monterey Heights Variety Store has offered a prize to the student who does the painting window painting for his store. Students selected to participate in the contest are Connie Foster, 7-1; Patricia Boone, 7-2; Ferol Martin, 7-3; Oliver Hodapp, 7-4; Mike Sauder, 7-5; and Ernest Chambers, 7-6.

Reports On Teacher's Activities Given PTA

The Lemon Grove District Teachers Association met last Thursday evening at San Miguel School Auditorium to hear reports from delegates who have attended important teacher conventions and conferences during the past month. With Rick Stammerjohn, club president, presiding, Louis Poluzzi, Peg Darroch, and Tom Brogan made detailed reports on the Leaders Conference held near Lake Arrowhead in late September. Donna Dreyer, CTA representative from the district, gave an account of the October Southern Section meeting of CTA in Los Angeles earlier this month. Peg Darroch, public relations chairman, reported on the progress of the Proposition No. 2 and No. 21 campaign for better schools as told at the public relations meeting in Los Angeles.

Stammerjohn appointed Hazel Jensen, Bill Firtch, and Ellen Berdell to serve on a special committee to study budget needs. Clarence Allen, chairman of the in-service education committee, gave a progress report on the survey conducted by the group and announced that the first meeting would be a district-wide gathering on October 28.

Changes and additions to the by-laws of the association constitution were read by Evelyn Whalen. These will be voted upon at the next business meeting of the association in January.

It doesn't pay to be a **SNAIL**

No sir, it doesn't pay to be a snail in this day and age of television, ultrafax, jet propelled planes and atomic energy. And it doesn't pay to be a snail when it comes to buying insurance or in getting a check-up on the insurance which you have. If you wait until a fire occurs or an accident happens, not even the ultrafax can operate fast enough to get you the coverage which you need and do not have. Community Spirit . . $158.30 Worth . .

The Lemon Grove Lions Club Band uniform project received another sizeable donation the past week. The Lemon Grove Business Women's League and the Lemon Grove Lions Club held a joint noon-day luncheon at the Hayloft Barbecue, 6323 Imperial Avenue, Encanto, last Thursday and all receipts for the meals from both organizations were turned into the band uniform fund by Mr. F. C. (Tommy) Gillette, the proprietor of the Hayloft. Sec'y. Wayne Johnson has a check for $71.30, $41.40 from the Lions and $29.90 from the Business Women to be added to the fund.

The fund is growing, two weeks ago the Lions were host to clubs from San Ysidro, National City and Chula Vista at a District Governor night and as a result of the raffle for prizes donated by the local members, $87.00 was added to the fund.

Start The Day Right

The importance of starting the day with a good breakfast to fortify our bodies with the needed energy for the tasks of the day is now well recognized by housewives and meal planners. But what of the importance of a spiritual tonic to give inspiration and stamina for the mind and soul?

Thousands of families have found that breakfast time is the ideal occasion for a brief period of meditation and prayer which gives a spiritual touch to the whole day. With the aid of a devotional guide and the Bible, any family can have a meaningful, inspirational, and helpful family worship. It proves to be an important factor in strengthening family ties and in giving a feeling of family unity to have father and mother or one of the children read a Bible passage, a devotional message, and a brief prayer.

Dr. J. Manning Potts of Nashville, Tennessee, editor of The Upper Room, the world's most widely used devotional guide, points out that any family can easily arrange to share the few minutes that such a program requires. The experience of countless families showing the importance of starting the day right—giving each member of the family a sense of well-being and a renewed faith to help them meet the problems of the new day—is the result of morning devotions.

In children the establishment of the basic habit of daily renewal of their spiritual strength will be a resource that will aid them throughout their lives. The Upper Room, which provides a daily meditation for each day, is available through 50,000 churches in the United States

Capt. Robert B. Beckett, of the San Diego Police Department, left, is reaching for a riot shotgun while Traffic Education Officer Harry Kay, Jr., holds a Thompson machine gun. They are examining the exhibit which will be seen by the public Sept. 25 and 26 at Civic Center when all City and County government departments will participate in "Local Government on Display." In the right foreground are seen tear gas gun and tear gas kit and at left, tear gas and [illegible]ning gas bombs. A small part of the police armory is held on the rack.

Chicken Raising Is Specialized Field

If you are thinking of going into the chicken business, you had better talk it over with your farm advisor first. Robert H. Adolph, farm advisor for the University of California, says poultry production is a specialized enterprise in California.

First of all, a poultry farm in Lemon Grove must be large enough to make it worthwhile. A producer with fewer than 2,000 hens will find it difficult to make a go of his business. During the past two years, a hen has averaged about $2.00 income per year, or $4,000 for 2,000 hens.

This is the minimum income that will keep the operation going and provide a living for the producer. If poultry is just a side line which contributes to the family income, it need not be that large, of course.

Good stock is most important to a profitable enterprise. It is better to pay a few cents extra and get good chicks than to try and save on the price. Extra eggs will repay the extra cost, the farm advisor says.

Careful culling is also important to production. If a hen is not laying, you might as well sell her. According to Mr. Adolph, a 100 per cent replacement of the laying flock each year has proven to be the most profitable. And it takes a very careful program of sanitation to keep down diseases and pests. But even the least 15 per cent mortality during the year, the farm advisor with the utmost care, plan on at warns.

"Whatever you do - Vote 'Yes' on 2"

Democrats and Republicans, labor, business and farmers —they *all* say: "No matter how deeply you differ on election day over candidates and other ballot issues—*whatever you do*, vote 'YES' on PROPOSITION 2!"

That's because:

PROPOSITION 2 meets fairly and squarely the school crisis brought about by the twin pressures of inflation and increased population.

PROPOSITION 2 increases the State's share of local school support, and relieves the mounting tax burden on homeowners.

PROPOSITION 2 makes sure that California's future citizens have the educational opportunity they need *now!*

More than 200 California organizations, local and statewide, including the following, join in urging you to vote YES on PROPOSITION 2:

California Congress of Parents and Teachers
California State Chamber of Commerce
California State Federation of Labor (AFL)
California Congress of Industrial Organizations (CIO)

Farm Bureau Opposes Prop. 2

Arguments against Proposition No. 2, the school teachers initiative on the November ballot, as advanced by the California Farm Bureau Federation have been summed in every instance by the report of the sub-committee of the Assembly Ways and Means Committee made public this week, according to Warren K. Hooper of El Cajon, Chairman of the Schools Committee of the California Farm Bureau Federation.

"That Proposition No. 2 is unnecessary, unsound, unfair, untimely and will increase taxes, as charged by the California Farm Bureau Federation in its opposition to the measure, is born out by the Assembly Ways and Means Committee report," Hooper said today.

Assemblyman Marvin Sherwin, of Peidmont, chairman of the Ways and Means Committee authorized a sub-committee hearing on Proposition No. 2 in order to determine the effect on state finances. The report of this committee stated:

"As a result of these hearings, our sub-committee feels that the question presented to the citizens of California by Proposition No. 2 is whether or not they wish to spend an additional $70,000,000 annually on public education to further enrich a program which already ranks with the best in the nation both in terms of financial support per pupil and in terms of school teachers' salaries, knowing that such increase will almost certainly result in approximately a 70 million dollar annual deficit in the state budget and the need for an increase in state taxes sufficient to produce revenues in that amount."

Members of the sub-committee which held the hearing and signed the unanimous report were Robert C. Kirkwood, Chairman, L. Stewart Hinckley, John L. E. Collier and Lloyd W. Lowrey. The committee met first in June this year and held several public hearings and meetings to study material submitted by both proponents and opponents of the measure.

By CLEM WHITAKER, JR.

Consensus of election expert opinion has the outcome of the 1952 presidential campaign hinging on 14 key States.

These 14 States control 279 electoral votes. To secure a presidential victory a candidate needs 266 electoral votes ,or a majority of the 531 electoral votes apportioned among the 48 States.

Here is the run down, according to most analysts, on the 14 doubtful States holding the key to the White House.

NEW YORK. 45 electoral votes. Went Republican by a scant 60,000 votes in 1948. This is the big prize. This year the GOP can't count on the Progressive capturing 500,000 votes as in 1948. Consequently, at present, the Democrats are conceded an edge for '52.

CALIFORNIA. 32 electoral votes. Went Democratic by the narrowest of margins in 1948. The Progressive split away 200,000 votes from the Democratic ranks in '48, a feat which won't be repeated. Neither party can be granted an edge in the Golden State. It will be close either way, as the experts see it now.

PENNSLYVANIA. 32 electoral votes. Voted Republican in 1948 by small margin. For '52, the political depesters, at the moment, give the edge to the GOP.

ILLINOIS, 27 electoral votes. Went for Truman in '48 by 33,000 votes. Stevenson's home baillwick. Pollsters give the Democrats a slight edge for '52.

MICHIGAN. 20 electorial votes. Republican in 1948. A toss-up in '52.

OHIO. 25 electoral votes. Democratic by a whisker in '48. The trend seems Republican for '52.

WISCONSIN. 12 electoral votes. Democratic in 1948. Senator McCarthy's recent landslide victory leads the pulse takers to give the edge to the GOP this year.

MINNESOTA. 11 electoral votes. Democratic in '48. Strictly a toss-up in '52.

MARYLAND. 9 electoral votes. GOP in 1948, due to Progressive deflection from Democratic ranks. A close one this year.

TEXAS. 24 electoral votes. Democratic by huge margain in 1948. Ike has slim chance to win in '52.

FLORIDA. 10 electoral votes. Democratic despite Dixiecrats in '48. Bare possibility for Eisenhower, but not much.

VIRGINIA. 12 electoral votes. Same as Florida.

LOUISIANA .10 electoral votes. Went for Dixiecrats in '48. No one can figure this State, although trend seems toward Stevenson.

IOWA. 10 electoral votes. Democratic in '48. GOP given substantial edge for '52.

Totalling the vote of the experts, the 14 doubtful States, at this stage, appear to give Stevenson 128 electoral votes and Ike 79, with 72 on the fence.

A GOP win in California, at this rate, could swing the election.
